Adult learning time will consist of video presentations, small group & large group discussions.

Student learning time will use a variety of teaching methods – stations, small group, or large group activities.

FRIDAY is the PRIMARY NIGHT for Generations of Faith (GOF). If you miss a Friday night session, it is your responsibility to pick up (Large plastic GOF bin outside the Convent door) your family's Monthly “Home Work” assignment and continue to work in your “Activity Book.” Look for an email telling you when the “Home Work” will be ready for pick up from the Large white plastic bin 24/7.
